

## **REQUEST FOR STATEMENTS OF QUALIFICATION**

Public Utility District No. 1 of Pend Oreille County is inviting statements of qualifications and performance information from firms interested in providing professional project management/owner's representative services for a fiber to the premise network construction project(s) in Pend Oreille County, Washington.

This project is funded primarily by a grant from the National Telecommunications Infrastructure Association, Broadband Telecommunications Opportunity Program Grant #NT10BIX5570059.

The professional services expected to be delivered may include, but are not limited to the following: work on behalf of the grantee as a management function interacting with engineering firms and build contractors to provide project oversight including comprehensive services in the organization, coordination, management and administration required for all aspects of the deployment of the project, including, without limitation, planning, programming, site investigation, design review, construction administration, and project closeout.

Interested parties may obtain a complete scope of work by contacting the District's Contracts Administrator at (509) 447-9345. Statements of Qualifications must be received no later than 2:30 p.m., (Pacific Standard Time) August 25, 2010. Submittals may be sent to:

Pend Oreille County Public Utility District  
Contracts Administrator  
PO Box 190  
N. 130 Washington  
Newport, WA 99156

Minority- and women-owned firms are encouraged to submit statements of qualification. Public Utility District No. 1 of Pend Oreille County is an equal opportunity and affirmative action employer.
